

The Quantum-Safe Era starts NOW !

Seminar Sponsored by IBM TechXchange

December 12th, 2024 – 12:00 – 16:00 hrs.
IBM Client Center, Brussels

We are glad to invite you to join our IBM Quantum-Safe Seminar – a unique opportunity to learn from industry leaders and experts on how **Quantum Computing** is changing the IT and Business landscapes and how to make your organization **Quantum-Safe!**

At the seminar you will:

- Discover why Quantum Computing may become a threat for IT and operational assets,
- Deep dive into the Quantum-Safe paradigm and understand its concepts,
- Explore Post Quantum Cryptography and Crypto Agility,
- Interact with subject matter experts on how to start your Quantum-Safe Journey organization.

Agenda

12:00	Networking Lunch
13:00	Welcome and Setting the Scene
13:15	Quantum Computing and Quantum-Safe, 2 Sides of the Coin
14:15	IBM Quantum-Safe Approach illustrated with Customer Quantum-Safe Journeys
15:15	Discover Quantum-Safe Software Technologies thru Demonstrations
15:45	IBM Infrastructure Solutions that include Quantum-Safe Protection
16:30	Networking Drink to learn even more!

Make the world
quantum safe
